

# VÁCLAV SAHULA

Digital Project Manager

## ABOUT ME

For 12 years I've been producing and developing interactive environments for various segments including video games, research environment, training and presentation apps.

I focus on remote team leadership and management. As a former game designer and Unity generalist, I have a good overview of the development pipeline and I am able to actively participate in the development of VR, desktop and Android projects of all kind.

## CONTACT ME

Mazurská 526, Prague 8, 18100

## WORK EXPERINCE

### VR PROJECT MANAGER

Ardent Blue May - November 2020

Managing two development teams in the production of VR educational simulations for construction workers. Third-party customer reporting. Multiplatform project (desktop, Android) targeted for Oculus Quest.

### TECH LEAD, UNITY DEVELOPER

National Institute of Mental Health Feb 2016 - Apr 2021

Production and development of test environments for research and training purposes. More than 10 different projects of different sizes. Smaller projects developed as a single developer, others in small teams as a tech lead. VR, desktop and Android coverage.

### CO-FOUNDER, PRODUCER, QA LEAD, DESIGNER

Dreadlocks Ltd. May 2011 - Nov 2017

Multiple video game titles production - Dex, Mimpí dreams, Rune Legend, Ghost Theory. Mostly multiplatform for desktop, mobile, consoles or VR. My main focus was on design, production and QA processes, but I fulfilled even other roles like localization manager, social networks content manager...

### GAMIFICATION LEAD

Skorebee Jan 2017 - Aug 2018

### GAME & LEVEL DESIGNER

GoldKnights (2018 -19), Games2Win (2018), Enigmatus s.r.o. (2010 - 2015),

### QA TESTER & ANALYTIC

IPS AG Sep 2008 - Jul 2010
